

## **BOB HOCK.....COMMUNITY SERVICE AWARD for Education**

The Bob Hock Award is named for a Past President, REALTOR, and Appraiser of the Hinesville Area Board of Realtors. Bob was a dedicated REALTOR and served the HABR with pride. During his term, we found what community involvement was all about. Having been prior military, Bob felt we needed to give back to the community in terms of involvement in numerous activities. One of those activities involved cleaning up the roadways leading to Hinesville, and making ourselves known to the community around us. He avidly promoted HABR to anyone he met, and was actively involved with the nearby military base in keeping us updated on what was occurring within the military in regards to the number of incoming or outgoing personnel.

Since Bob Hock was so involved in community awareness and involvement, it is very fitting that the recipient of the BOB HOCK AWARD be as involved and compassionate as he. While the award also carries an educational benefit, be it known that the recipient of this award shall hold themselves accountable to a higher level of involvement by making their knowledge in real estate education thru the use of the scholarship for educational courses or designations.
